

# Engaging Consumers in Health Care Advocacy

Bridget Quinn

# Tuesdays at the State House

# VITAL VOICES

Issues That Impact  
Maine Adults  
Age 45 and Older,

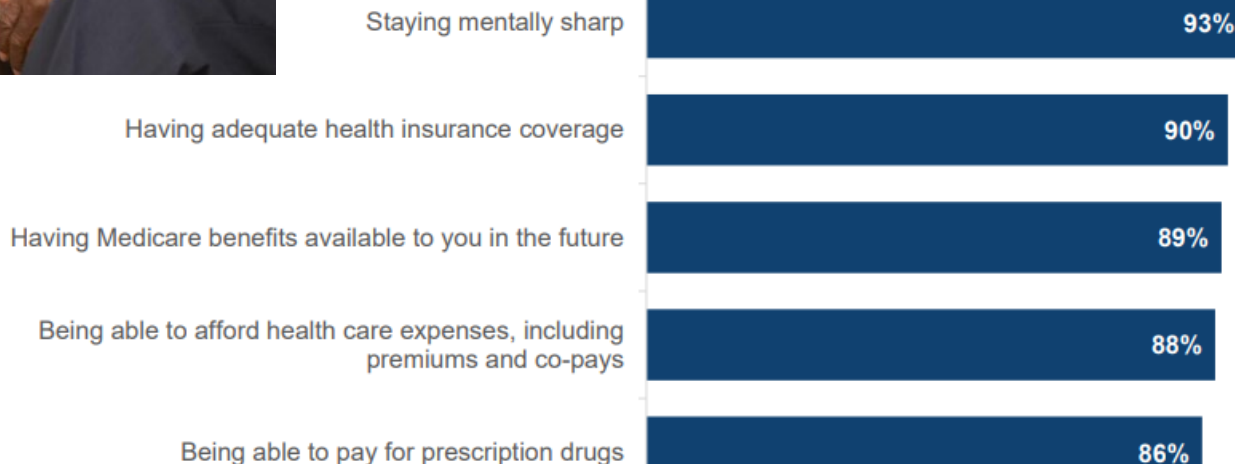

July 2024

**This allows office to  
focus on issues that  
matter most state  
by state.**

**AARP Vital Voices Research helps  
understand the needs and interests  
of the 45+ population across states.**

## Important Healthcare Issues

**SOCIAL  
SECURITY**  
**WE EARNED IT**

AARP Maine • Following

For the millions of Americans who suffer an injury or worse, Social Security provides much-needed financial security for the children and spouses of t... See more
